Press Release

## **interlift 2025 underlines its status as the world's leading trade fair**

**interlift will take place at a new location for the first time in 2025: From 14 to 17 October 2025, the lift industry will meet at Messe Nürnberg. It is already clear that the world's leading trade fair and the new location are winning over the industry. Numerous exhibitors, including some newcomers, have already registered to take part in interlift in Nuremberg in 2025. It is therefore becoming apparent that interlift will grow in terms of exhibition space.**

---

**Nuremberg** – Around one and a half years before interlift 2025, the trade fair is very well booked: Over 250 exhibitors from more than 20 countries have already registered and will receive their placements in the coming weeks. These include two collectives from Italy and one each from India and China. Halls 1, 3, 3A, 3C, 4 and 4A at Messe Nürnberg will be the new home of interlift 2025.

### **Nuremberg - international exhibition centre**

With the high internationality of the event, interlift is well placed in Nuremberg. Nuremberg is a central transport hub with excellent connections to the various transport routes. At the intersection of several motorways, centrally located on the Deutsche Bahn rail network and with an international airport, Nuremberg can be reached quickly and easily. The city has an excellent infrastructure and impresses with its clear layout and good connections to the S-Bahn and U-Bahn. In addition, there is a wide range of hotels in the city of Nuremberg and the surrounding area, so that there are also sufficient hotel beds available during trade fair periods.

### **Messe Nürnberg: new home of interlift**

Messe Nürnberg is one of the top 15 trade fair centres in the world and offers an ideal infrastructure for exhibitors and visitors. interlift

2025 is housed in Halls 1, 3, 3A, 3C, 4 and 4A and is connected to the two large entrance areas and congress centres NCC Ost and NCC Mitte, which offer numerous rooms and halls with a wide range of options for presentations, meetings and supporting events.

### **New location, well-established team**

The proven interlift team at trade fair organiser AFAG, and VFA-Interlift e.V. as the technical sponsor, will also be the contact partners at the new location and look forward to welcoming lift experts from all over the world to Nuremberg in the future.
